Shoren:

Do you have time to talk tomorrow (Thursday) at 1 PM ET?

We can do a conference call and save you the trip over if you like.

I had a long conversation with Phil North from our AK office yesterday and wanted to share with you our collective thoughts regarding what we are looking for.

Also, we have a copy of the May 2010 six-tribe request to EPA to take action under 404(c). If you are aware of any other such 404(c) requests, can you please forward them?

Thanks, Palmer

That sounds great - I sent an email to Denise Keehner earlier today requesting a follow up meeting as well - one with fewer people from our side and more focus. I'll let her know that we are talking and just ask that you guys pass along what we speak about. That sound ok?

Great I will let you know, likely Thurs or Friday. If others are not available, you can relay what we discuss.

Absolutely. You propose a time and I'll be there. I'm not sure what Wayne and Rick's schedule's look like.

Thank you. Do you have time later this week to discuss some of the follow-up items from last week's meeting?

Thanks, Palmer

Palmer -

I think this covers it.

The Honorable Rick Halford - former leader of the Alaska State Senate.

Ex. 6 PII

The Honorable Bryce Edgmon - current member of the Alaska legislature

representing Bristol Bay. (I will track down his email for you) Wayne Nastri - former EPA RA for region 9 - now with Dutko Worldwide.

Very best -

Shoren:

It was great to meet you this week and I look forward to reviewing the materials that y'all have compiled on the BB effort.

In writing up the 9/22 meeting, I noticed that our sign-in sheet may have a few gaps. Can you take a look and make sure we got all of your folks. I don't see Wayne Nastri, for example. Who is he representing? Are there others missing?

Thanks, Palmer
